

Zine!

- ① Take a sheet of paper & fold in half 3 times.
- ② Unfold and cut the center two segments to form a "ring".
- ③ Fold in half long-ways and pop out the middle sections
- ④ Fold it over to complete the blank mini-zine
- ⑤ Fill the pages with radical ideas, art, and projects our culture from independent media and taking back control that seed us passing by the corporations that will change the world!
- ⑥ Share the How To Make Mini-Zine!

Zines are about creating our own independent media that will change the world! Ideas, art, and projects our culture from independent media and taking back control that seed us passing by the corporations that will change the world!
